

BOLLARD LUMINAIRE
APOLLO

B80-220400

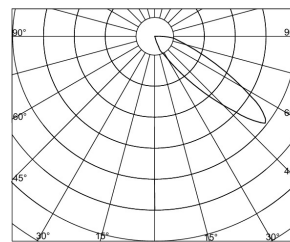

PRODUCT FEATURES

DESCRIPTION

Architectural-grade bollard luminaires are designed to provide glare-free, uniform illumination for pathways, landscapes, and open spaces. They are engineered with high-efficiency LED modules, and the housing is constructed from die-cast aluminum with a durable powder coated finish, available in multiple RAL colors. Integrated thermal management and IP65 protection ensure long-lasting performance in outdoor. These luminaires are ideal for pedestrian zones, parks, commercial plazas, and residential developments.
