**RECESSED LUMINAIRE - WALL WASHER
DAWN**

D31-091085

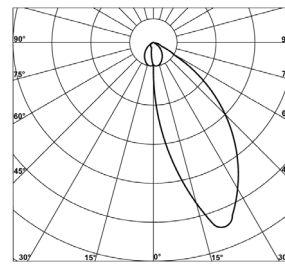

PRODUCT FEATURES

DESCRIPTION

Dawn wall washer downlights are designed with asymmetric optics to deliver uniform vertical illumination across walls and surfaces. They enhance architectural features, textures, and artwork with a smooth light gradient and minimal glare. Constructed with a recessed housing for a clean, ceiling-integrated appearance. Available in various beam angles, wattages, and color temperatures for design flexibility. Ideal for use in galleries, retail spaces, hospitality, and premium commercial interiors.
