

WALL WASHER LUMINAIRE

LUCIAN

L75-422866

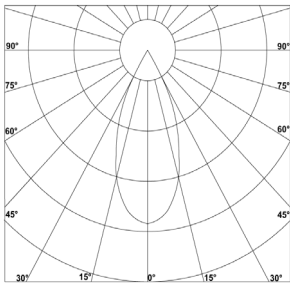

PRODUCT FEATURES

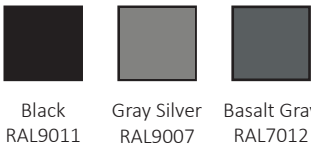

DESCRIPTION

The linear wall washer luminaire is engineered for uniform facade illumination in demanding architectural environments. Constructed from high-grade extruded aluminium, it ensures excellent thermal management, structural strength, and long-term outdoor durability with a corrosion-resistant marine grade finish. Advanced LED technology ensures high efficiency, stable performance, and extended lifespan. The robust design supports long-term operation in harsh environmental conditions. Ideal for applications such as façades, landscape walls, bridges, and architectural lighting accents.
